Lights Will Go On Friday As Upland Prepares To Celebrate Christmas Season

Upland Over Top in Victory Loan Campaign

Upland has gone over the top in the Victory Loan drive.

This welcome news was received from Don Palmer, sales manager, as he reported that total sales for Upland now stood at $241,673.75, which is $6673.75 more than the quota of $235,000.

Although this news was gratifying to the committee which is headed by John W. Shepperson, they hoped that they can maintain their outstanding record of always going way over their quota.

A breakdown of the figures indicates, however, that the corporation quota of $50,000 has not been met, although the total is now definitely over the top. Only $50,000 worth of Bond purchases have been made by corporations while individual sales total $211,543.

In spite of the fact that Upland, like most cities in the nation, seemed to be slow in the earlier phases of the campaign, the committee has felt all along that the quota would easily be met. They were more particularly concerned in sales considerably over the quota assigned to this district.

On the committee with Chairman Shepperson and Mr. Palmer are Marion Grothe, Harlow Wilson, Frank Nichols, Leigh Thompson, Ernest Gibson, Orton Brady and Owen Atwood.

Colborns Buy Business Building

The Colborn Electric Co. has purchased the building adjoining its store on the south and at an early day will occupy it in a major expansion program.

News of the transaction, one of the major ones in the business district, was learned today. Mrs. Ella Rauck sold the structure after having owned it for many years. The building is at present occupied by the Upland Billiard parlor.

Mr. and Mrs. Amos R. Colborn owners of the pioneer electrical firm here, said they will extend their store to include the adjoining building and this will give them a frontage of 44 feet on one of the city's principal business thoroughfares.

The additional store space will be used largely by the household appliance department, including the many new major items to be featured by the company, according to the owners. The present store will be maintained more or less as at present, although definite plans have not been made.

The Colborn company will make alterations in the building just as soon as it is vacated by the present occupants.

School Holiday Recess Starts December 14

Holiday recess for Upland schools will begin on Friday, December 14, and continue until Wednesday, January 2, Harold W. Cook, school superintendent, announced today.

Students will attend a Christmas dance and school party before beginning their Christmas vacations.

Voice of Upland

Should there be automatic traffic signals at Euclid avenue and Foothill boulevard?

"Yes, it's an awfully busy section. I think it would be a good idea."—H. S. Stewart, 175 West Foothill.

"There should be."—Elmer Gilbertson, Ontario.

"Yes, yes sir."—F. L. Beck, 306 Parkside.

"There should be lot more lights on Foothill boulevard."—Mr. and Mrs. Robert Franklin, Fontana.

"It might be a good idea. It would be noticed more."—C. D. Mayberry, 59 East Ninth street.

"Yes, I do."—J. A. Williams, Upland.

"It wouldn't be a bad idea—not a bad idea at all."—Mrs. John Patane, Etiwanda.

"I guess they should."—Mrs. V. F. Monahan, 1405 East A street.

"I always have thought so, because lots of times a person wouldn't have to stop."—R. C. Cadnum, 1544 Benson.

Driver of Ford Coupe Wins Place on Upland News Honor Roll

A Ford coupe with the license number 83 P 707 is the Honor Driver for today.

The driver gave a demonstration of what kind of driving is needed to prevent the tragic accidents that piled up this weekend in the county. He was cautious and had complete control of the car in traffic.

He made a boulevard stop on Euclid avenue and after giving proper hand signals turned left on Foothill boulevard. He was constantly considerate of other drivers and pedestrians as he made the turn, police said.

Police Warn Against Forgers

Upland merchants today were warned by Chief of Police Eugene L. Mueller to be on guard against check thieves and forgers during the holiday rush season.

Referring to the educational campaign conducted by the Upland police department's bureau of investigation and by Chief Frank J. Wilson, of the U. S. Secret Service, Chief Mueller said that business men must be doubly careful in accepting either government or commercial checks from total strangers.

"Store employees should initial any check they accept and jot down some memorandum as to what was used for identification which may serve as a later reminder," Chief Mueller declared. "Particular care should be exercised in accepting checks from juveniles as an increasing number of forged checks are traceable to boys and girls in teen ages."

Remirding merchants of the extra caution maintained by banks, the Upland police chief said:

"Banks will not cash checks for persons not properly identified and that is their business. Merchants would do well in adopting some of the vigilance used by the banks."

Hold Yule Dance At Junior High

A Christmas dance and a school party will be held in the Upland Elementary school auditorium on Friday, December 14, the day when Christmas recess begins for Upland school children.

Sponsored by the Girls' Athletic Association at the Junior High school, the dance will begin at 2:15 p. m.

Miss Esther Foelber and Miss Marie Ebel are in charge of the Girls' Athletic group.

Judge Blake To Open Youth Forum Soon

Judge Samuel R. Blake, presiding judge of the Los Angeles superior court, will open the "Youth Conservation" forum lectures when he speaks in Upland on February 19, Mrs. P. W. Rohrbaugh, president of the Coordinating Council, announced today.

The first in a series of four lectures dealing with the problems of youth, Judge Blake's talk will concern itself with the legal aspects of youth conservation. He will particularly stress the laws passed at the recent meeting of the state legislature and their effect on youth.

Judge Blake's appearance here was arranged by Police Chief Eugene L. Mueller, who is a personal friend of Judge Blake.

Although no definite dates have been set as yet the remaining three lectures, the topics to be discussed, according to Mrs. Rohrbaugh, will be as follows:

Second lecture—Youth From the Inter-Racial Standpoint. Speaker, Paul Coronel, Spanish teacher at Chaffey High school. This will be a discussion of the Mexican-American youths and their problems in their relationship with other youths.

Third lecture—Youth From the Educational Standpoint. A discussion of what can be done for youth both in the schools and in the home. Speaker not announced as yet.

Fourth lecture—Round table discussion of the three previous lectures. The main topic of "Youth Conservation" will be taken up here and with the emphasis placed on how youth can be developed into an integrated personality and then become a good citizen of the community.

These lectures will be free to the public in an effort to bring the entire effort of the community behind a movement to deal with "Youth Conservation" adequately.

Harry Martin Begins Duties as Ontario City Manager

Harry Martin, a former Lieut. Colonel in the Army, began his duties as city manager of Ontario Saturday.

He succeeds Neal Smith who left Ontario to become the city engineer of San Diego.

Mr. Martin was delayed somewhat in assuming his new duties due to the fact that he had some difficulty in having his household furnishings sent out here from the east.

Gifts for Wounded Servicemen Must Be In by December 15

Christmas gifts for disabled and sick servicemen now in hospitals all over the nation must be brought to the Upland Selective Service office by December 15 in order that they can be delivered by Christmas, Mrs. Donald F. McKean announced today.

The drive to provide gifts this Christmas to disabled soldiers, sailors and marines is sponsored jointly by the American Legion and the Auxiliary, and is in charge of Mrs. McKean and Edgar Pierce, Legion adjutant.

For the convenience of those who prefer to give the money with which gifts may be bought, jars have been placed in many of the stores in the central business section. The money accumulated there will be used by the Legion and the Auxiliary to purchase gifts for servicemen who will be confined in hospitals this Christmas.

The Legion is seeking to get 100,000 gifts in order to make this Christmas as happy as possible for disabled and sick men still in uniform.

Organizations planning to contribute gifts as a unit are asked to contact Mrs. McKean by calling 317-282 or Mr. Pierce at the Selective Service office.

No matches or food can be accepted as gifts, Mrs. McKean said. However, an acceptable list of gifts has been compiled and contributors are asked to follow the list in order to be sure that their presents will reach a disabled serviceman this Christmas.

LIST OF GIFTS

The list of gifts which are desired for disabled servicemen will be found on page 8. This list was compiled by the American Legion and the Auxilliary who are conducting the drive and is believed to include those items which the men want and those which are the easiest to handle. Turn to page 8, read the list and then do your share in making this Christmas as happy as possible for our disabled and wounded boys. Remember to give "Gifts for Yanks Who Gave."

Noon Whistle Blast Is Wanted by Mrs. Flora Allen

Mrs. Flora S. Allen, a long-time Upland resident, would like to hear the city's fire whistle blow at 12 o'clock noon.

"I wish it would blow again, just like it used to," Mrs. Allen said. "I miss it and now that there is no need to keep it silent because of the war, I think it should be returned to use to let everyone know it is noon."

Mrs. Allen is in charge of the service club luncheons in the Upland Woman's club house.

"If we had the whistle I am sure the luncheons would be served right on time," she added.

Hold Inquest for Fatal Accident On Wednesday

Two were killed and another seriously injured when the car in which they were riding overturned on the corner of Euclid avenue and Foothill boulevard early Saturday night.

An inquest into the cause of the accident will be held at the Stone Mortuary at 2:00 o'clock tomorrow afternoon. Deputy Coroner Edward P. Doyle is expected to be in charge.

Pvt. Algie Clise, 21, of the Victorville Army Air field, and Wayne B. Howell, 38, of Ocean Park, the driver of the car, were those instantly killed. Carl H. Ashlock, 27, another soldier from the Victorville field, was taken to the San Antonio Community hospital. He was later taken by Army ambulance to an Army hospital where his condition is reported to be serious but it is believed that he will survive.

According to Upland police reports Leonard V. Keller, of San Bernardino, accompanied by his wife, made a boulevard stop at the west side of Euclid avenue on Foothill boulevard. John C. Mansfield, Long Beach, made a left turn into Foothill from Euclid. As his car approached that of Mr. Keller, Howell, traveling east, police said, tried to drive his car between the two cars. It struck both machines and turned completely over. Ashlock was thrown clear of the wreckage but Clise and Howell were pinned underneath the overturned car. The bodies were removed to the Stone mortuary.

Mansfield, who was driving a Buick sedan, was slightly bruised and was released from the San Antonio hospital after treatment.

I. J. Linkey, Upland police officer, was parked in front of the madonna when the crash occurred and saw the entire accident.

Give Christmas Play Tuesday

A Christmas program of living pictures and music will be presented at the Upland Elementary school auditorium next Tuesday night, December 11.

Titled, "A Redeemer is Born," the play features singing groups from both the Elementary school and the Junior High school. The Cue and Curtain club will present the living pictures with the music.

The story, in ten scenes, tells of the story of the Jewish people from the time of their captivity in Babylon until the birth of Christ.

Miss Barbara Berkley and Miss Lee Schoeneck are in charge of the musical portion of the program. Miss Esther Ziegler is the author of the script.

The general public is invited to attend the Christmas presentation next Tuesday.

Elementary school children will see the same production on Monday afternoon and the Junior High school on Wednesday afternoon.

LAST PERMIT

George Lutz, of 296 South Third avenue, was the last Uplander to be issued a building permit for the month of November. He has started construction on a five room house, with garage.

Completes 25th Year

C. C. Teague (left), president of the California Fruit Growers' Exchange for 25 years, is shown here receiving a commemorative silver plaque from first vice-president Harvey A. Lynn on behalf of the board of directors of the citrus cooperative. During Mr. Teague's 25 years as president, Exchange shipments have jumped from 43,000 carloads to over 100,000 carloads in the year just closed. Mr. Teague was reelected president again at the annual meeting of the Exchange on November 21.

Start Campaign to Secure Five New Fire Hydrants in San Antonio

A campaign to install five new hydrants in San Antonio Heights got underway today as letters were mailed to residents asking for contributions to finance the project.

Two new hydrants are already in the process of being installed by the City of Upland, but Fire Chief A. J. Reeder said that the San Antonio Heights Volunteer Fire department feels that an additional five are necessary to properly protect San Antonio Heights from fire.

NEED ESSENTIAL

"Both the Department and the State Fire Warden feel that the addition of seven new hydrants will place water for fire protection within reach of every residence in the Heights where sufficient water is available," the letter says.

"Two of these hydrants are being installed at the expense of the city of Upland and we hope that the remainder will be financed by popular subscription of Heights residents and property owners," the letter goes on.

EXPENSE SMALL

Declaring that the appraisal value of these hydrants could be placed at $300,000, the letter goes on to say:

"The expense of installation will not exceed $500, an exceptionally small percentage. This factor together with an anticipated reduction in fire insurance rates makes your cooperation both a privilege as well as a community duty."

A self-addressed, stamped envelope is enclosed with each letter.

Signatures appearing on the letter in addition to Chief Reeder's are those of the Ways and Means committee members of which are: D. S. Stump, president; W. V. Moffitt, secretary, R. A. Sage, C. G. Lydick and A. J. De Meyere.

Honor Driver Feels Pleased; Praises Upland News, Police

The honor driver last Friday was Mrs. Steve Allee, of Allee's taxi.

Feeling quite complimented for being selected by Upland police as a careful and prudent driver, Mrs. Allee told the Upland News that she was honored at her selection and said that the police and the Upland News deserve a lot of credit for conducting an Honor Roll for good drivers.

Mrs. Allee said that she averaged 1500 miles a week in her driving and that her first consideration was always the safety of her passengers.

"Of course, this sort of puts me on the spot," she laughed, "but I'm sure going to try and live up to the honor that has been bestowed upon me."

Business Section Will Be Lit Up; Merchants Will Stay Open

The Christmas season will be officially inaugurated in Upland Friday night when brightly colored Christmas decorations are illuminated throughout the Upland business section.

With "Welcome Home, Veterans" as the prevading spirit, stores will remain open on that night to commemorate the first peacetime Christmas in four years.

LIGHTS GO ON

December 7 was selected as the date when lights "will go on" again and plunge the entire downtown section into a gay Christmas spirit as a tribute to the returning veterans, many of whom will be back home again. It was on the same day four years ago that Japanese bombers dropped their bombs over Pearl Harbor and "put out" the lights for many Christmas seasons.

The decorations this year are expected to be the most beautiful ever seen in Upland. All of the area on North Second avenue from the Santa Fe tracks to Arrow highway and on Ninth street from Euclid avenue to Third avenue will be illuminated with the finest decorations available at this time.

WHITE TREES

Lighted drums with the inscription, "Welcome Home, Veterans," will be placed at all the intersections, with other drums of varying colors surrounding them as a background.

The lamp posts in the business section will have two white Christmas trees mounted on each side so that they will look like one. Red and blue lights will be strung on the trees, giving it the patriotic effect of red, white and blue.

STORES OPEN

Although Christmas shopping has already begun, merchants Friday night will display all of their merchandise to the best advantage. They will remain open until 9 o'clock for the convenience of those who want to do some of their shopping on the night that all the decorations will be completely illuminated.

Friday night, when the lights go on again, Upland will begin its celebration of the happiest Christmas that it has known for the past four years. For those who have been away to keep Christmas what it is have come back to stay.

Home on Leave, Ibanez Car Stolen

A Buick sedan belonging to Lieut. Richard Ibanez, 790 North Second avenue, who is home on a brief furlough, was reported stolen to Upland police Sunday.

Lieut. Ibanez, who is a former Upland councilman, said that it was taken sometime between 2:30 p. m. and 3:45 p. m. while it was parked on Eleventh street, just east of Second avenue. It was a 1936 Buick sedan, light blue, with the license number of 8 P 5464.

Must Have More Money to Illuminate Euclid Avenue

Two more contributions towards the illumination of Euclid avenue were received late today. Mrs. Josephine Sutton gave $5.00, and Allee's Taxi Service, $10.

Unless more contributions are made very soon the illumination of Euclid avenue may be delayed or possibly postponed all together.

This seemed to be the concensus of opinion of the chamber of commerce committee in charge. Although some subscriptions have been made many more are needed to light up Upland's beautiful street this Christmas.

According to the proposed plan it is being hoped that at least five blocks of Euclid avenue would be lit up with a canopy of ornamental lights strung from pepper tree to pepper tree, east and west across the center portion of the avenue.

Every year more equipment would be added until some time in the future all of Euclid avenue will be beautifully decorated every Christmas season.

The decorations in Upland's business section will be officially put up this Friday night. All of the merchants will stay open that night to commemorate the opening day of Upland's most beautiful Christmas decorations.

But unless more subscriptions come in very soon there will be no lighting up of Euclid avenue on that date.

Foothill Bus Idea Runs Into Snag

The prospect of establishing a bus line direct to Pasadena ran into a snag today as the Santa Fe Trailways informed J. Emery Sargent, Upland chamber of commerce secretary, that due to the fact that a similar request was denied eight years ago it would not be possible to act favorable on the request now.

The company expressed an interest in the proposed project, however, and said that if at all feasible they would take some action on it.

Mr. Sargent, after a consultation with Edward Gray, Upland city attorney, wrote the Santa Fe again, pointing out that he was sure all of the cities along Foothill would desire such bus service and that he felt that it was legally correct for Upland and the other cities to make such a request.

Mr. Sargent said that if the Santa Fe failed to take any action after a reasonable length of time, he felt sure that some other bus line could be persuaded to undertake the project.

"If all of the cities along Foothill boulevard openly expressed themselves in favor of a bus line on Foothill boulevard, I feel sure that something would be done," he said.

No Increase in Trains Here Until Shortages Of Material Eased

There can be no increase in regular passenger or freight trains to Upland until the shortages of materials are eased.

The Santa Fe company, however, is desirous of increasing the train service to Upland and will do so at the earliest opportunity.

WEATHER

Today	68
Monday	70
Sunday	70
Saturday	62

This November Was Hotter Than Last, Record Shows

November this year was a lot hotter month than November last year.

A check-up of temperatures recorded in the month just passed disclosed that the highest temperature recorded was 92 on November 3. The highest last year for the same month was only 78 and that did not come until the 22nd of the month.

More evidence that November, 1945 was a lot warmer than November, 1944, is shown by the fact that this year there were seven days in which the temperature hovered around 80 or more. On the fourth the thermometer read 88 and 80 on the first, second, 13th, 22nd and 27th.

Last year in November only six days were recorded 74 or above. In addition to the 78 on the 22nd, there were five days when the temperature was 74—second, third, 21st and 28th.

Nine years ago, in November, 1936, 87 was the record on the 17th of the month. The lowest temperature came on the 29th when the thermometer read 62.

There was a lot more rain last November than this year. At the end of November last year 7.46 inches of rain fell in the Upland district. So far this year only 1.31 inches has been recorded.

Sales Slips Will Be Given Friday

Many of Upland's stores will be open Friday night to greet people in the big "Christmas Opening."

Dividend day sales slips may be obtained with purchases Friday night after 6 p. m. in addition to the usual Saturday sales qualifying residents for the weekly dividend offer.

The "Dividend Day" plan is being advanced to include Friday evening sales to accommodate persons who might wish to make purchases then rather than on Saturday. It is also being advanced as an added inducement to attract people in the Upland district to the business section for the first glimpse of the holiday decorations.

Emphasis is placed on the fact that all stores participating in the divideid day plan will issue sales slips Friday night—as well as Saturday. While all of the stores may not be open Friday night, it is believed that most of the firms will join in the plan for the evening display of merchandise.

As to last night's offer of the dividend day fund, residents at 551 East Eleventh street, were not at home to receive the $25 offered. While the lights were burning in the house, persistent pushing of the door bell by the dividend day man failed to bring any response.

FOOD FUND

Concerning the food fund, which will be offered at 6 p. m. Thursday, the sum now stands at $25. Mrs. D. H. McGovern, 1369 West Thirteenth street, failed to win the money last Thursday. She was offered $15 last week and an additional $10 is being added, as usual, for this week.

As the result of an apparent error, The News has awarded Mrs. W. F. Farmer $25 from the food advertising food. This concerns the award offered November 22.

Food stores advertising in today's Upland News are eligible to issue sales slips in connection with the plan. An address will be selected in a drawing from the residential directory maintained by The News. The directory includes every residence in Upland, Alta Loma, Cucamonga and Etiwanda.

Police Reserves Meet Tomorrow

Committees for the coming year will be announced when the Upland Police Reserves meet at the I.O.O.F. hall tomorrow night at 8 p. m., Lee Bigley, newly installed president, announced today.

A review and study of laws and law enforcement as well as the penal code will be conducted by Police Chief Eugene L. Mueller and Captain Ralph Palmer.

All members of the Police Reserve are urged to be at this meeting.

Have You?

Have you ever heard the rattle of a dying man's last breath?
Or seen the look of horror in the stare that faces death?
Have you ever heard a person scream and writhe in sudden pain?
And look down at a mangled arm that will not move again?
Or, have you heard the moaning and smell the stench of gin?
And seen the gory, bloody gap where once an eye had been?

When your car is doing fifty, have you ever felt the yen
To let'er have another notch and do another ten?
When a pokey guy's ahead of you, have you ever had the thrill
Of swingin' out'n passin' him upon a dangerous hill?
Or, have you ever felt the old car scream'n lurch'n swerve
As you let her have the limit while you took a sudden curve?

Have you ever seen the wreckage of an automobile crash,
With flesh and steel made into a morbid, gruesome hash?
Have you ever seen the entrails'n the ears'n arms'n hand,
'N hats'n and shoes'n fingers of what once had been a man?
Have you ever seen the jagged bone stick through a mangled leg——
And heard the blood-smeared victim pray'n cry'n beg?

Have you ever had the keen sensation of a fast car at your bid,
'N run up to a stop sign'n slap 'em on'n skid?
Did you ever pass a school yard'n give the horn a slam
'N drive close to a gang o' kids'n see 'em jump'n scram?
Did you ever take a quart o' rum'n swallow four or five,
'N take the old bus down the road'n show 'em how to drive?

Have you ever seen a little child all crumpled up'n still—
Who tried to run across the street while a car came down the hill?
Have you ever seen men's brains on fenders? Have you seen the blood in the street?
Have you seen them stare at bloody stumps of the things that were their feet?
Have you ever heard the crash'n scream'n, see the ghastly stare
On the face of what had been the driver'n the rest of the man not there?

Morbid'n gruesome'n gory, this. I'm sorry, but don't you see,
This was not meant to be read by folks as tender as you'n me.
It was meant for the thoughtless, careless, who kill'n main'n mar——
The reckless fool who is to blame—the man in the other car.

This could have been written by observers of the tragic accident on Euclid Avenue and Foothill boulevard Sunday night. About everything ghastly mentioned in the sentences above were observed in one of the city's most horrible accidents.

The timely contribution came from the Police Protective League Magazine and supplied to The News by members of the Upland police department.

Clip it out and paste it in your car as a frequent reminder.

FM Radio Station Plans Advancing

By next July it is likely an FM (frequency modulation) radio station will be in operation in Ontario.

Mrs. Jerrene Appleby Harnish, publisher of the Ontario Daily Report, said that plans are being prepared for construction of a radio studio and for placing of highly technical engineering equipment at the earliest possible date. Mrs. Harnish and her associates were recently granted a permit for the station by the Federal Communications Commission.

Incidentally, this was the third permit of its kind granted in California and indications are the Ontario station will be among the first placed in actual operation. The studio will be constructed immediately east of The Report building on B street, Ontario.

The new FM station will be in operation daily from 3 p. m. to 7 p. m. and as more FM receiving sets are in use the broadcast time may be extended, according to the Ontario publisher.

Church Urged to Appeal to Vets

As an organization the church should be the most active of all groups and appeal most to the veterans and that can be possible if a constructive program is offered, Dr. Merton E. Hill, former Uplander, told nearly 200 men and women in an address in Fellowship hall of the Methodist church Friday night.

He emphasized that a church's program should be so active and so constructive and positive in its appeal that veterans would turn to it.

"The church needs to provide strong, virile, moral leadership to lead the nation through the troubled times ahead," he declared.

The meeting, featuring a contributed dish dinner, was sponsored by the Men's class of the Methodist church. When Dr. Hill was the head of the Chaffey schools here, he served as teacher of the class. To hear him Friday were former members of the class, present members and many of his friends and former associates in the school district. Eugene L. Mueller, president of the class presided, with William Amberson program chairman, handling the preliminaries.

Characteristic of Dr. Hill, the former Uplander spoke fluently with a touch of humor sprinkling his inspirational appeal. He drew upon his vast experience in handling students and in dealing with problems as director of admissions at the University of California. He talked frankly about the nation's future and the responsibility of the church in offering a constructive program. Preceding his address Clifford Jellison led in community singing and also appeared in a solo. George C. Foote, local magician, entertained with several baffling exhibitions.

Dr. Samuel Hughes, pastor, delivered the invocation and benediction.

If you persist in driving with your mind in the clouds you are due to find a permanent home there.

Elect Officers For Farm Center

At a joint meeting with Monte Vista Farm center held in San Antonio school, Ontario, recently a five farmer committeemen were elected to serve as the Ontario-Upland Community Agricultural Conservation committee for 1946.

C. Earl Wetherbee, of Ontario was selected to the chairmanship. Otis Cooper will be vice-chairman. The other three members are Thomas H. Monks, George Naftel and Lloyd Michael.

Duties of the committee are to assist the County Agricultural Conservation committee to administer the national farms program enacted by Federal legislation and assigned to the Field Service branch of the production and marketing administration of the United States Department of Agriculture. At present these duties include the obtaining of increased soil fertility and prevention of soil erosion on farms by approved conservation practices for which certain assistance payments may be made. Other duties are crop production insurance, Sugar Act, direct payments to dairymen, beef and lamb producers, commodity loans, and the school lunch program.

PASADENA PLAYHOUSE

Theatrical temperature reverses the season and climbs four notches with the Pasadena playhouse winter play slate of four playbills.

Emlyn Williams' gripping drama, "Night Must Fall" leads the way from December 12-23. The noted Williams' drama of the bellhop with murder in his manner ranks in the hit bracket after New York, London and film runs. Bruce Hall, Georgia Skinner, Onslow Stevens and Stella Rae play major roles under George Phelps' direction.

Young America is not worried about rubber on the tires if there is a honk left in the horn.

"TAKE IT EASY"

Republican Meeting Thursday Sponsored By Women

Sponsored by the County Republican Women, a luncheon will be served and a speaker will be presented in San Bernardino at noon Thursday. All interested persons are invited by the organization to attend, the luncheon to be served in the Elite Supper club, 3201 E street, San Bernardino.

Charles Lyons, speaker of the state assembly, will be the speaker. He will discuss postwar problems and he will also refer to the reasons for the forthcoming special session of the state legislature.

Rules for Success In Poultry Business

Success in the poultry business is a matter of planning and stick-to-it-tiveness, says J. P. Hertel, assistant county agent. Those who survive two low cycles usually stay and become good poultrymen.

Egg profits run in three-year cycles, explains Hertel and beginners start when egg prices are good in comparison to feed prices. Soon there is a larger production and egg prices are low compared to feed. Many beginners have no reserve and are thus forced to quit.

Whenever it takes more than the income from 87 eggs to buy 100 pounds of feed, conditions are not favorable. Good poultrymen always strive for a high egg production the last six months of the year. Higher egg prices then means greater poultry profits. However, the average price of eggs for the year in relation to feed determines whether it was a good or a poor year. Feed costs are about two-thirds of the total egg cost.

Anderson Outlines Future Farm Policy

Broad objectives of post-war agriculture looking toward a well-balanced, enduring, prosperous economy are summerized by Clinton P. Anderson, secretary of agriculture, as follows:

1. Plentiful production at fair consumer prices to establish a high nutritional level.
2. Greater farm efficiency in production, processing and marketing to benefit the farmer and the country as a whole.
3. Complete conservation of natural agricultural resources, soil, water supply and forests.
4. Encouragement of expanding, free-moving trade with other nations to broaden our economy base provide larger employment and consumption opportunities and to aid in maintaining a busy, peaceful world.

Such an agricultural economy, he said, must have its counterpart in industry, providing jobs and service and professional opportunities for 55 to 60 million people.

Kaiser Sells Steel to France

Henry J. Kaiser's iron and steel plant at Fontana, has been awarded one of the first major orders received by an American firm for the industrial rehabilitation of France, it was announced today.

The contract calls for 55,000 tons of semi-finished steel products and is the result of an aggressive post-war program launched by Kaiser Steel to develop new business for the West.

Kaiser Company officials said delivery would start immediately and extend over a four-month period. The contract was negotiated in Washington, D. C., with the Republic of France French Supply Council Mission of Industrial Production.

The 55,000 tons of Kaiser steel, which will be shipped to France in the form of billets, will be reprocessed into finished material upon reaching its destination. The order is part of a year-long purchasing program in this country by the French government.

ROSE BOWL

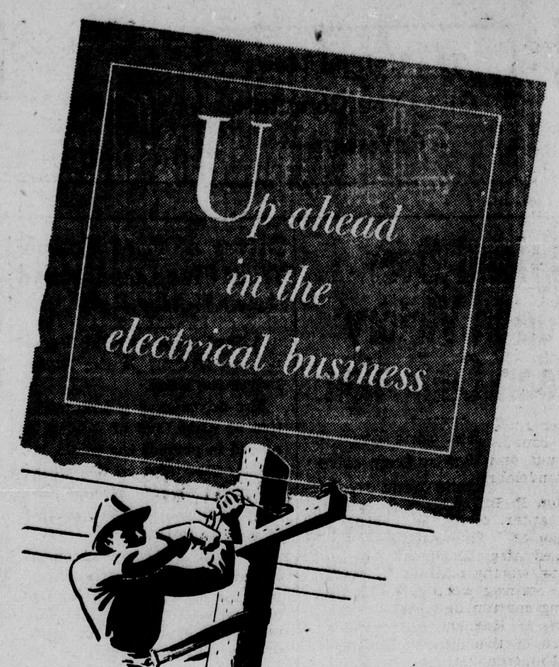

Ten entries from business organizations for the 57th Annual Tournament of Roses have been accepted, it was announced yesterday by Charles A. Strutt, president of the Tournament of Roses association. This brings the grand total of entries to 47 that have been accepted and who will participate in the forthcoming parade which is under the timely theme of "Victory, Unity and Peace."

More than 40,000,000 attendances are chalked up every year at fairs in the United States.

Did you ever watch an Edison lineman climb a pole? It looks pretty easy.

It takes four years of training before an Edison man can be a lineman, first class. His instruction is mighty careful. His safety training goes on all the time—for his own protection and for the safety of the rest of the line gang. Edison linemen keep up ahead in ways of working "hot" lines.

Edison has kept up ahead for more than 50 years in the electrical business—each year adding to the betterment of its service.

It is a stockholder-owned (93,000 of them) independent company. It is managed and operated by Californians.

There are 3,500 people on the Edison payroll. All of them, like the linemen, are trained for Edison business—which is to provide you with the world's best electrical service at a low price.

SOUTHERN CALIFORNIA EDISON COMPANY LTD.

"Me... I'm staying in the Army!"

★

THERE ARE PLENTY OF REASONS... AND HERE THEY ARE!"

1 "First, I keep my present grade. That means a lot.

2 "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish.

3 "I get my mustering-out pay, even though I'm reenlisting. Also, I get $50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army.

4 "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools.

5 "All of us who are reenlisting are going to have from 30 to 90 days' furlough *at home* with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay.

6 "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. *Added up—reenlistment seems pretty sound to me!"*

JANUARY 31, 1946
AN IMPORTANT DATE FOR MEN IN THE ARMY

MEN now in Army who reenlist before February 1 will be reenlisted in present grade. Men honorably discharged can reenlist within 20 days after discharge in grade held at time of discharge, provided they reenlist before February 1, 1946.

You may enlist AT ANY TIME for 1½, 2 or 3 year periods. (One-year enlistments for men now in the Army with at least 6 months of service.)

PAY PER MONTH—ENLISTED MEN
In Addition to Food, Lodging, Clothes and Medical Care

★

(a)—Plus 20% Increase for Service Overseas. (b)—Plus 50% if Member of Flying Crews, Parachutist, etc. (c) Plus 5% Increase in Pay for Each 3 Years of Service.

	Starting Base Pay Per Month	MONTHLY RETIREMENT INCOME AFTER: 20 Years' Service	30 Years' Service
Master Sergeant or First Sergeant	$138.00	$89.70	$155.25
Technical Sergeant	114.00	74.10	128.25
Staff Sergeant	96.00	62.40	108.00
Sergeant	78.00	50.70	87.75
Corporal	66.00	42.90	74.25
Private First Class	54.00	35.10	60.75
Private	50.00	32.50	56.25

4,,500 Tires Will Be Available This Month

There will be only 4500 grade one passenger car tires available in San Bernardino county during the month of December, Frank L. Ryan, OPA rationing representative disclosed today.

The supply for all of Southern California this month will be only 119,253 tires which is 15,434 less than the November allotment. Allotments of other types of tires are: large truck, 12,263 compared to 11,972 for November, and small truck tires, 8278 compared to 9934 last month.

Booklet on Colds Is Now Available To Civilians

Chilly winter winds and rains bring on the season when many persons suffer from colds. The symptoms of this so-called common cold are inflamation of certain membranes of the nose. The inflammation may later spread to the sinuses, ears, throat, and chest. Some colds may be contagious.

Reducing the number, severity, and duration of colds is the title of a circular prepared by Hilda Faust, nutrition specialist of the Agricultural Extension Service at the University of California.

To obtain a free copy of this leaflet, call or write the office of the home demonstration agent in your county, or write to the Agricultural Extension Service, University of California, Berkeley.

"Soldier, what's your future?" is becoming a familiar greeting among combat veterans returning from overseas these days, as the men in uniform discuss the advantages of choosing the regular army as a career.

If you are planning to buy an established business, or to start a new business, or to expand a business which you now own, there are many questions which come up regarding capital financing. To help you find the sound answers to these questions Bank of America has published this booklet, "Term Loans for Small Business."

This booklet gives you complete details about this bank's new *Timeplan* term loan for all capital requirements.

Today, with many men of demonstrated ability seeking to establish themselves in business, there is increasing need for credit of this type, and Bank of America has the answer to that need in its *Timeplan* term loan. Ask for a copy of this booklet at any branch.

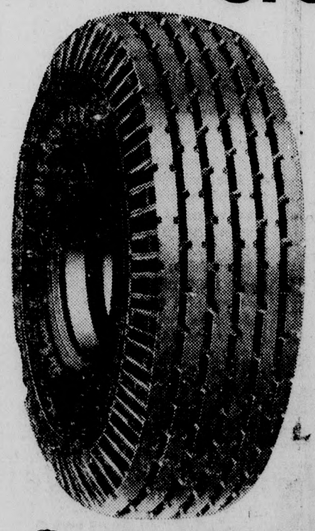

Consult Bank of America about your business or financial problem.

Car Owners Report:

PREWAR PERFORMANCE AND BETTER FROM U. S. ROYALS

Since Pearl Harbor "U. S." scientists have made as much progress in applying synthetic materials to tire manufacture as had been made in the previous three decades with natural rubber.

Result—car owners are sending in reports from every section of the country that they are getting prewar performance *and better* from their U. S. Royals.

From tire dealers, tire service men and tire engineers, men who have made tires their life work, the evidence piles up—U. S. Royals are out in front in mileage, in safety, in all-round performance.

★

Follow this plan to get your U. S. Royals:

- Go to your U. S. Royal Dealer today for a thorough tire inspection.
- If you are in urgent need of new tires, he will show you how to get them at the earliest possible moment.
- If your need is not immediate, he will use his expert knowledge of tire care to keep your car on active duty until new U. S. Royals are available.
- The quickest way to get new U. S. Royals is to register your tire needs with your U. S. Royal Dealer now.

Mrs. Lamb Becomes Worthy Matron of Eastern Star

Large Attendance At Installation In Masonic Hall

Approximately 250 persons, including visitors from many chapters in all parts of Southern California, witnessed the beautiful ritualistic installation of Mrs. Sam L. Lamb, worthy matron, and Ernest T. Crooke, worthy patron, and their staff of officers of Upland chapter, Order of Eastern Star, Sunday afternoon at 5 o'clock in the Masonic hall.

For the special occasion, the chapter room was decorated with large bouquets of white chrysanthemums and silver tapers in silver candelabra.

Orton P. Brady, past patron of the chapter, served as master of ceremonies. The installing staff included Mrs. Lloyd E. Gilmore retiring worthy matron, and John Scott, retiring worthy patron, installing matron and patron; Mrs. Albert F. Holmer, deputy grand matron of this district, installing grand matron; Mrs. Isabelle Wisely, installing marshal; Miss Eunice Mitchell, installing chaplain; Mrs. John Scott, Mrs. Thomas H. Settle and Mrs. Dorothy Garrett, installing matrons.

Mrs. Lamb wore a white gown with sequin-trimmed turquoise sash, and a white orchid corsage, and carried a bouquet of red roses. The other officers-elect were all in white, with corsages of red rosebuds.

Mrs. Wisely, installing marshal, wore a turquoise gown; and Miss Mitchell, chaplain, was in white, sequin-trimmed; the others were in white and wore red carnation corsages.

Douglas Lamb, son of the new matron, carried the national flag; and Richard Crooke, son of the new patron, placed the Bible.

The escort included the present grand officers, past grand officers, worthy matrons and patrons of 1945, and past matrons and patrons of Upland chapter.

The installing ceremony began with prayer and the obligation. Taking office besides Mrs. Lamb and Mr. Crooke were Mrs. J. Lynward Grahame, associate matron; E. Tweed Stone, associate patron; Mrs. Charles O. Deverts, secretary; Mrs. Lloyd E. Gilmore, treasurer; Mrs. Merle D. Kough, conductress, Mrs. Ray Lawyer, associate conductress; Mrs. J. T. Salisbury, chaplain; Mrs. Ernest T. Crooke, marshal; Mrs. W. J. Ritchea, organist; Mrs. E. B. Trent, warder, Francis B. Harn, sentinel; and the five rays of the emblematic star—Mrs. Ronald Rowe, Adah; Mrs. Frank E. Tomkins, Ruth; Mrs. J. Harry Snowden, Esther, Mrs. W. J. Morrow, Martha; and Mrs. Earl Dunning, Electa.

During the ceremony 18 boys, comprising the Norton School choir, gave a program of songs under the direction of Gattie P. Holmes, and at the close of the installation Mrs. H. C. Bartholomew sang "Star of the West."

Concluding events of the program were the presentations and courtesies, the escort of the matrons and patrons of 1946 and the benediction by Dr. James V. Latimer.

Following the installation, a reception was held in the dining hall and refreshments were served. The serving table was adorned with chrysanthemums dyed turquoise and silver candles, carrying out the colors for the year, turquoise and silver. Mrs. Wayne E. Morse and Mrs. Blanche M. Loch presided at the tea and coffee urns.

Mrs. J. Lynward Grahame was general chairman in charge of arrangements.

Talk on Chinese Art Features PEO Meeting

A 12.30 o'clock luncheon opened the meeting of Chapter DV, P.E.O. Sisterhood yesterday at the home of Mrs. V. H. Wilson, 875 North Second avenue. Mrs. Mary A. Eckerman and Mrs. E. K. Pitman assisted as co-hostesses.

For the program, Mrs. George W. Hinman of Claremont, who lived in China many years and served as a missionary there, spoke on "Chinese Art" and had on display many priceless articles from her collection.

A short business session was conducted by the president, Mrs. W. W. Majors.

Eighteen members and four guests were present.

A movie kiss is allowed to be only a few seconds long—unless it's in the audience.

Chistmas Tea for Episcopal Women At Black Home

Members of the Woman's Auxiliary of St. Mark's Episcopal church and their guests gathered yesterday afternoon for a Christmas meeting at the home of Mrs William H. S. Black, 1521 North Euclid avenue.

Mrs. Philip B. White, the president, presided over the business session.

A general discussion of 'Our Offering," led by Mrs. W. W. Phipps, was followed by the Christmas ingathering. The members enjoyed group singing of Christmas carols led by Mrs. Frank Wimmer, with Mrs. Kendle Hill at the piano.

Tea was served at the close of the afternoon. Mrs. W. G. Morrison presided at the attractively-appointed tea table. Assisting Mrs. Black on the hostess committee were Mrs. Kendle Hill, Mrs. Huber Kalbach and Mrs. Henry B. Hickey, Jr.

✿ ✿ ✿

Methodist Circles Will Meet Thursday

Thursday is the time for the monthly meetings of the four circles of the Women's Society of Christian Service of the Upland Methodist church, and election of officers for the coming year will be a feature of each session.

Mrs. Charles L. Dinger will be hostess to the Orange Drive circle at her home, 550 West Sixteenth street, and the members will enjoy a contributed luncheon at noon Mrs. L. E. Moser, president, will conduct the business session.

Members of the N.E.W. circle will meet in the church parlor at 10:30 a. m. to complete some quilts, according to announcement by the president, Mrs. C. K. Francisco. A contributed luncheon will be served at noon.

Mrs. Kerns A. Overton and Mrs. U. S. Standlea will be co-hostesses to members of the East Side circle at the Overton home on Baker avenue, between Ninth street and Arrow highway, and the meeting will open with a dessert luncheon at 1 o'clock. Mrs. Coy E. Spies president, will have charge of the business session.

An afternoon meeting of the Willing Workers will be held at the home of Mrs. Etta Johnston, 904 West Eighth street. Mrs. Walter E. Allen, the president, will open the business session at 2 o'clock.

✿ ✿ ✿

Hill Toppers Club Entertains Guests

Guest night was observed by the Hill Toppers club of San Antonio Heights at the December meeting Saturday evening at the home of Mr. and Mrs. Paul M. Young, Four Twenty-fifth street.

The usual contributed dinner was served at 6:30 o'clock, and the group played games for the remainder of the time.

Guests were Mr. and Mrs. Stanley Swayne, Mr. and Mrs. Kenneth Crandall and Mr. and Mrs John Buckwalter. Members present included Mr. and Mrs. H Bruce Claflin, Mr .and Mrs. Edward K. Hansen, Mr. and Mrs Edgar C. Pierce, Mr. and Mrs John Young, Mr. and Mrs. Ralph Mitchell, Mr. and Mrs. Court Hammel, Richard J. Sorensen and Mr. and Mrs. Young, the hosts.

A bear was killed by an auto in the Adirondacks. It probably was mistaken for a pedestrian.

Woman's Club Will Hold Open Meeting December 11

Dr. Glenn Phillips of the Hollywood Methodist church will be the speaker at the Christmas meeting of the Upland Woman's club on Tuesday, December 11, and Mrs. W. R. Farmer, club president, has announced that all interested persons in the community are invited. A special invitation is extended to the men.

There will also be Christmas music by the Club Chorus under the direction of Mrs. Marion Maxwell.

Luncheon will be served at 12:30 o'clock, and reservations must be made by Monday noon with Mrs. Lowell S. Donnell, corresponding secretary, phone 312-330.

Mrs. Farmer is reminding the members that each is to bring a packed Christmas box for the "Gifts for the Yanks Who Gave," which will be sent to hospitalized war veterans.

✿ ✿ ✿

Former Navy Officer Speaks to Frances Paul Girls Class

Henry M. Busch, recently returned after 30 months of service with the armed guard of the U. S. navy, spoke to members of the Frances Paul Girls class of the Upland Presbyterian church at their quarterly meeting last evening at the home of Mrs. Owen E. Atwood, 607 North Euclid avenue. He told particularly of his last trip, which took him to many points in the Pacific and on to Tokyo.

During the business session conducted by Mrs. Archie L. Moore the president, the group made plans to furnish candy for the Christmas treat for the Sunday school children, which is an annual custom of the class.

A social hour concluded the meeting and refreshments were served. Red roses and red candles decorated the table. Mrs. Moore poured coffee and Mrs. Edwin L. Wickstrom served hot cider.

Assisting Mrs. Atwood on the hostess committee were Mrs. H. W. Hawkinson, Mrs. Glenn M. Atwood, Mrs. Maud Brokan, Mrs. Donald F. McKean, Miss Clara Bissell, Mrs. Edwin L. Wickstrom, Mrs. Herman Cordes, Mrs. Jesse Monroe, Mrs. Paul Bodenhamer, Miss Isabel Walker and Mrs. Ernest W Fischer.

✿ ✿ ✿

A wave of advance Christmas buying is reported by stores throughout the nation. It still isn't too late to start shopping early.

Presbyterian Women To Hold Christmas Meeting Thursday

Guest speaker at the afternoon session of the monthly meeting of the Women's Association of the Upland Presbyterian church Thursday in the social hall of the church will be Mrs. Elam J. Anderson of Claremont, who will have for her topic, "And Mary Pondered." Mrs. Jack Ayles will sing a group of Christmas songs as part of the program.

Last summer Mrs. Anderson was graduated from Claremont Colleges graduate school and was awarded the $1000 Hunnold scholarship in Oriental studies. She lived for 12 years in, Shanghai China, teaching at Shanghai University and at the school for American children in that city.

Mrs. Henry M. Busch, the president, will open the morning session at 11 o'clock, and after the routine business, Charles J. Booth of Chaffey college will read excerpts from letters he has received from former students in the armed forces.

The noon luncheon will be served by Group No. 1 under the direction of Mrs. J. Emery Sargent.

The nursery will be open from noon to 2 o'clock to care for young children.

✿ ✿ ✿

University Women Will Hear Two Speakers Saturday

Two members of Pomona Valley branch of the American Association of University Women will speak at the December luncheon meeting of the group next Saturday at 1 o'clock at the Casa Blanca hotel in Ontario.

Miss Laura Wild, professor emeritus of the department of religion at Mt. Holyoke college and visiting professor at Ginling College in China in 1923-24, will speak on "The Harvard Report on American Education and its Application to Our Own Schools." The other speaker, Mrs. Virginia Moses, dean of women and acting registrar of Pomona junior college, will give a report on "Recent Developments in California Education."

Reservations must be made by Thursday with Mrs. Carl Weber, phone Ontario 622-368.

An Army general says Japan will hesitate to start anything again while American planes fly over that country. Haven't the Nips had us up in the air long enough?

Wonder how many fathers remember when only the teen-age sons wore their shirts.

Legion Auxiliary Christmas Party

Mrs. Donald F. McKean, president of the Upland unit of the American Legion Auxiliary, has announced that the members will hold their December meeting and annual Christmas party Thursday evening at 7:30 o'clock at the home of Mrs. Edith R. Howarton, 1695 North Mountain avenue.

Junior Traffic Patrolmen Begin Their Duties at Elementary School

Ten boys from the Upland Elementary school, working alternately in shifts and in groups of two, began their duties as junior traffic patrolmen on the corner of Fifth avenue and Arrow highway yesterday.

Designed to promote safety for the younger children in crossing streets, the plan is to hold them at street intersections and then have them cross in a body when no traffic is visible.

According to Miss Jessie Brown, principal, the junior traffic patrolmen idea is still in a "trial period" and subject to future changes. If the organization as begun yesterday is deemed feasible then it will be expanded and developed. Otherwise, necessary changes will be made, Miss Brown said.

Police Chief Eugene L. Mueller is expected to go to the Elementary school sometime this week to talk to the student patrolmen and help in the development of the organization.

The boys and the shifts they work on follows:

8:00 - 8:30—Donald Woods, Jac' Jacques.
10.30 - 10:45—John Keefer, Donald Tow.
11:25 - 11:45—Kenneth Mueller. Roland Tedder.
12:00 - 12:25—Kenneth Mueller, Roland Tedder.
1:55 - 2:15—Wesley Harris, Joe Ayala.

Elementary School

BY KEVIN FORSBERG

At the end of every school week our school has an assembly. We sing the "Star Spangled Banner" and give the pledge to the flag.

Sometimes some grade gives a play. The play is some time around Thanksgiving or any other holiday that happens to be near.

Last week we had to pay 10 cents to get in the auditorium. We got to see a very good magic show. All the money that was collected is to be used for the patients at Corona Hospital for Christmas.

Teenage Party Friday Night

The first party for the Tiger Den, an organization of teenage youths, will be held at St. Mark's Episcopal Parish hall Friday night at 7:30 p. m.

Under the direction of the Reverend John Luther, rector of St Mark's Episcopal church, the teenagers will meet at the Parish hall Friday to dance, use the ping pong tables and pool tables, and in general enjoy several hours of recreational activity.

A petition signed by nearly 100 Junior High school students requesting the resumption of recreational and social activities under the Tiger Den organization was presented to the Reverend Luther several days ago. Bob Thomason, James Harter and Allen Morrow were sponsors of the petition.

Although the Tiger Den is primarily intended for Junior High school students, it is open to all children of the teenage group. Parties will be held every Friday night from 7:30 to 10:30 o'clock at St. Mark's Parish hall, on F street off Euclid.

Hatcheries operating in California during September were on an exceptionally high level for this season of the year, doubling last year's September records, the state livestock reporting service disclosed.

It reported 5,582,000 chicks. Even though many hatcheries still report more orders than they are able to fill, the trend is definitely downward the report said.

About People—

Mr. and Mrs. Roy Harmon and family have moved to 1690 West Eleventh street from 545 Eighth avenue.

BAZAAR and food sale sponsored by W.S.C.S. of Methodist church at Crowell hall next Saturday, opening at 10 a. m.—Adv 62-1.

Mr. and Mrs. William Amberson have purchased the residence at 1042 San Bernardino road and have moved there from Sixteenth street, near Mountain avenue.

Marion J. Coltrin of Honolulu, husband of the former Gladys Bowden, is visiting with Mrs. Coltrin's parents, Mr. and Mrs. Edwin L. Bowden of 779 West Seventeenth street. Mr. Coltrin arrived from the Islands by plane last Tuesday and is stopping here before going east on a business trip to Dayton, Ohio, and Washington, D. C. on Thursday. He is general manager of Hickman Field Air depot at Honolulu.

Joe Ayala, 16, son of Mr. and Mrs. Jesus Ayala, 241 Main street, Cucamonga, underwent minor surgery Saturday at San Antonio Community hospital.

Mrs. Maritta Medley, 497 East Seventh street, returned home yesterday after receiving care at San Antonio Community hospital for injuries received in an automobile accident.

Richard McCracken, son of Mr. and Mrs. Lawrence McCracken of 992 East Seventh street, is a patient at Green Memorial hospital, convalescing from major surgery which he underwent yesterday.

Mrs. C. M. Wallace, of Ames Iowa, and her daughter, Lt. Jessie Wallace, are visiting this week in the home of Mr. and Mrs. J. N. Wallace, 441½ North Campus. Lt. Wallace is on terminal leave after having served nearly two years in Europe as a dietician with the Army Nurses corps.

Mrs. W. H. Burton, president, has announced that the Women's Missionary society of the Upland Nazarene church will gather for an all-day session Thursday in the basement of the church, beginning at 10:30 o'cloc.

Revival meetings are in progress at the Brethren in Christ church in Chino, corner of Edison and San Antonio avenues. They are conducted by the Rev. Henry Ginder of Manheim, Pennsylvania. The Rev. J. R. Eyster is the church pastor.

Mr. and Mrs. Basil Harris and family and Mr. and Mrs. Ben C. Johnson and family have moved to Upland and are residing at 160 East Eleventh street. Mr. Harris is proprietor of the Harris Pharmacy, successor to Mac, the Medicine Man and until this weekend he and his brother-in-law, Mr. Johnson, have been commuting from their home in El Monte to the local store. They moved here over the weekend. Mr. Johnson is a brother of Mrs. Harris.

Stanley Read has been removed to his home from the hospital where he has been since suffering severe injuries in an automobile accident on Foothill boulevard at Central avenue. He has been a patient more than six weeks. He is now able to be up and about, some on crutches. He is employed by an Ontario creamery and was delivering milk when his truck was struck by another machine. Mr. Read resides at 402 Eleventh street.

Mr. and Mrs. Hubert Lenhart, 208 South Euclid avenue, have as their guest, Mr. Lenhart's cousin, Capt. Joseph Williams of Pittsburgh, Pennsylvania, who is now on terminal leave after serving with the Eighth Air force in England for the past three years. Capt. Williams may remain with his relatives until after the holidays.

Honor Memory of Servicemen Who Were Killed in Action

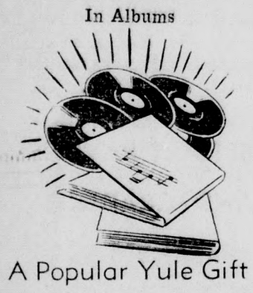

Memorial services for Elks who made the supreme sacrifice for their country were held in the Merton E. Hill auditorium Sunday afternoon.

Conducted by the Ontario-Upland Elks lodge, the Elks medal of Valor was presented to two Elks who were killed during the war. The memory of Ensign William A. Edwards and Major James A. Williams were honored.

Lt. Col. Herschel E. Griffin was the principal speaker.

Sport Slants

By STEVE KALAGIAN

Both of the Chaffey basketball teams this season will face the same uncertain season that they did in football.

Coach K. W. Kaiser has three lettermen returning on his high school team, but only one of them played regularly last season. It is natural to expect, however, that if the other two men were good enough to merit letters they should develop into being pretty good players this year.

The rest of the team is made up of totally inexperienced boys whose capabilities under competition will still have to be determined. It is on them that the task of molding a team rests. The coach can do only so much; the rest must come from the team as a whole. No individual star or stars can make a great team. It takes the whole group working together to develop stars and championship teams.

As far as the college team goes they have only one letterman back But lots of the boys have had experience in high school basketball which should make things a bit easier on Coach Muggs Mitchell. The barring of returning veterans who have played two years of basketball before going into the service doesn't help matters, of course

But they seem to have a pretty good crop of basketball players and if they can work together and develop the team spirit so essential to winning games, they may continue to keep up the good basketball

Chaffey Cagers To Play Fullerton

The Chaffey high school basketball team will receive their first test in competition tonight when they play Fullerton high school at the Chaffey gymnasium.

With only three lettermen back on the squad, and only one of them a regular last year, the Tigers will go into the game as underdogs.

Bill Dingle is the only man on the team who played regularly on the team last year. Vernon Kruggell and Don McClure, although not regulars, played enough to receive their letters the past season.

Nearly 80 men answered Coach K. W. Kaisers' call for basketball the week of Thanksgiving. Since that time the squad has been cut to about 20 with another four or five man cut expected soon.

Because of the inexperience of the team as a whole, the Fullerton game tonight should give some indication as to the future prospects of the Tigers. However, it may take several games, Coach Kaiser said, before any definite impression can be gained of the strength of the high school team.

Mrs. Susie Lenhert Taken by Death; Services Wednesday

Mrs. Susia Lenhert, widow of Simon H. Lenhert, passed away Sunday afternoon at 2:50 o'clock at her home, 263 F street, following a week's illness. She was 80 years of age.

Born June 9, 1865, in Whiteside county, Illinois, Mrs. Lenhert came to California and Upland 13 years ago from Hope, Kansas. Her husband died here in 1942.

Surviving are four daughters, Mrs. Ralph Byer and Miss Ida Lenhert, of Upland; Mrs. J. S. Wiles of Marin City, and Mrs. P. D. Shetter of Colorado Springs, Colorado; four sons, Cyrus W. Lenhert of Upland, Samuel Lenhert of Grants Pass, Oregon, Harvey W. Lenhert of Ontario and Earl W. Lenhert of Higginsville, Missouri; two sisters, Mrs. William Page of Detroit, Kansas, and Mrs. Jacob Loganecker of Abilene, Kansas; a brother, Harvey G. Wingerd of Navarre, Kansas; 37 grandchildren and 17 great-grandchildren.

Funeral services for Mrs. Lenhert will be held Wednesday afternoon at 2:30 o'clock at the Upland Brethren in Christ church, of which she was a member. The Rev. J. R. Eyster, the Rev. Alvin C. Burkholder and the Rev. C. R. Heisey will officiate. Interment will be in Abilene, Kansas.

The Stone Funeral home is in charge of arrangements.

reputation that Chaffey college has.

Still, regardless of how you look at either team, you can still make one general statement to fit both of them. Not until league competition opens next month can any of us know just what kind of a record they're going to make.

The fact that nothing is normal these days in spite of the fact that the war is over has its effect on sports as well as social and economic conditions. So, until things are a bit more natural, which may take another year or two, it is really hazardous to attempt any intelligent predictions.

The American peach crop in the season just closed was seven per cent greater than the 1914 crop.

UPLAND HAS MANY ADVANTAGES BOOST UPLAND

Busters Nose Out Zephyrs

A nip and tuck battle all the way ended in a victory for the Busters as they nosed out the Zephyrs Friday night, 22-21, in the second round of the Beulah college competition for the basketball trophy.

Although the Busters led all the way it was a close one all along. With only one minute left to play and the score 22-19 against them, the Zephyrs scored to make it 22-21 and with 40 minutes left to go threatened again but were unable to get the needed extra basket.

This victory put the Busters out in front with one game won and none lost, with the Zephyrs in second place with one victory and one defeat.

Starting lineups for both teams follows:

Busters		Zephyrs
Haldeman	F	A. Book
D. Book	F	Brickman
Georgiades	C	Rohrer
Horst	G	Swift
Bailey	G	Layton

Hold Junior High Football Dinner

Members of the Upland Junior High school football team and their guests will gather at the Elementary school cafeteria Friday night to hold their sixth annual gridiron dinner.

A special football movie has been secured and will be the highlight of the program. All faculty members have been invited to attend

Shamblin Paces Panther Scoring

Roland Shamblin, fast and shifty Panther halfback, paced the Chaffey eleven this season in scoring touchdowns. Although injured for several games, Shamblin was a consistant scorer, and ran across the goal line three times in the final game of the year against San Bernardino to add to his impressive total.

Complete individual scoring follows:

Roland Shamblin	54
Ray Stark	18
John Martin	8
Jim Lucas	6
Eddie Miller	6
Eugene Russell	6
Chuck Adams	4
John Daly	4

Points scored by Chaffey totaled 100 as compared to 142 made by their opponents.

No Gun or Trap, But Get Foxes

The Sportsmen's Service Bureau passes along two reports received from widely separated parts of the country, dealing with capture of red foxes by wholly unorthodox methods.

The first, reported by Lou Smith of Ithaca, N. Y., describes how Charles O. Victor of Syracuse bagged two of the animals accidentally when they leaped before his car at night. His headlights first picked them up near the roadside some distance ahead. They then disappeared into the brush, only to reappear suddenly and dart under the wheels as the car reached the spot.

The second tells how Art Dryer of Iowa City, Iowa, bagged a fox in a fish pond. Mrs. Dryer saw the animal struggling in the water and, thinking it a dog, called her husband. He donned rubber boots and waded out to the rescue. Upon discovering the animal's identity, he quickly dispatched it and brought it ashore.

Panthers Play Chino Institute For Men Tonight

The Chaffey college Panthers will face their second opponent of the season when they meet the Chino Institute for Men at Chino tonight.

It will be an inexperienced team that will be facing Chino, with Howard Smith, the only letterman, eligible to play on the Panther squad. However, since the game tonight is a practice game Coach Muggs Mitchell may be able to use some of the returning veterans who have been barred from league competition. Some of these vets played two years of basketball before going into the service and are therefore ineligible to play with the Panthers when league games begin next month.

Basketball fans will have their opportunity to catch their first glimpse of the Panther five this Saturday night. It seems fairly certain now that Pasadena Junior college will be here to tangle with Chaffey at that time.

Starting lineup for tonight:

Dick Mayhew, Roland Shamblin, forwards.

Harlow Smith and Herman Zmolek, guards.

Ernie Warner, center.

There are about 3,000,000 miles of rural roads in the United States.

Clothes are back in style again, much to the disbust of the bathing beach queens.

Etiwanda Meets Bond Quota

Cucamonga Area Still 30 Percent Short of Goal

Etiwanda became the first in this area, and perhaps in the county to meet its Victory Loan quota as George Mahan, bond chairman for the Cucamonga-Alta Loma-Etiwanda area, reported that sales in Etiwanda now total $32,968.75.

The quota for Etiwanda was $30,000.

The entire area as a whole is still short of its goal of $110,000. Individual sales todate are $76,586.25 and corporation, $17,000. Of this total Cucamonga has purchased $30,917.50 and Alta Loma, $12,700, and Etiwanda, $32,968.75.

Mr. Mahan appealed to the residents of the Cucamonga-Alta Loma-Etiwanda district to make their purchases within the next few days since the drive officially ends this Saturday. He stated that Victory bonds were among the best investments in the world and that it was for the benefit of all to buy them.

Bonds may be purchased at the Bank of America in Cucamonga or any of the local postoffices.

Man Killed; Hunt Stolen Car

A stolen car was believed to have been responsible for the hit and run death of Thomas White, workman on the Lucas ranch in Cucamonga, at 9:01 p. m. Saturday.

White was struck and killed on Foothill boulevard near the Archibald avenue intersection in Cucamonga Saturday night as he was crossing the highway. He died a short time later at the San Antonio Community hospital.

According to wintesses the car which killed the victim was a maroon colored Mercury Ford, 1941 model. A check-up of the license number revealed the fact that it may have been the same car which was stolen in Glendale earlier that night. It was headed east at the time White was hit.

FIND PURSE

A purse belonging to Clara Knapp, 263 Sixth avenue, was found in the women's rest room at the Richfield station, corner of Third avenue and Arrow highway Friday afternoon. The purse was believed to have been taken from the San Antonio Community hospital several days ago, according to police.

BUILDS GARAGE

A building permit was issued yesterday to Fred A. Glass, 464 West Seventh street, to rebuild his garage and increase the size of it.

Lions Will Hear of William Allen White At Meeting Thursday

Willis H. Kerr, Pomona college librarian, will be the speaker at the meeting of the Upland Lions club in the Upland Woman's club house at noon Thursday.

Mr. Kerr will speak on the life of William Allen White, Emporia, Kan., newspaper publisher and nationally known as a political figure and writer. Mr. Kerr, a personal friend for many years, will give many interesting highlights of Mr. White's life.

Name Winners in School Contest

George Moraign, fifth grade pupil at the Cucamonga Central school, has been awarded first prize in the book display contest held at the Cucamonga and Cucamonga Central school for the past two weeks.

Top honors for group entries went to Mrs. Van Antwerp's fifth and sixth graders for their replica of a California mission, illustrating the book, "Missions of California." It was made of heavy cardboard and painted dark brown with dark red roofs and crosses. In the yard in front of the mission was a Mexican cart and back of the building a large map of California with the location of the missions marked by bells on the map.

Moraign's entry was a group of free hand drawings of birds, including sketches of Donald Duck. He received the book, "Treasure Island," by Robert Louis Stevenson, while the group winners were given "The Open Gate," by Kate Seredy.

Other entries receiving favorable comment were Miss Rising's eighth graders display of the book, "Yeah Wildcats," and Miss Carnahan's fourth grade with the book, "Ping."

Miss Young, Mrs. Vizio and Mrs. MacPherson were the judges for the event.

Kaiser Cars to Be Seen Soon

America's first new postwar cars, the low-priced Kaiser and the medium-priced Frazer, will be unveiled to the public beginning in January in the major cities of the United States, it was announced by Henry J. Kaiser, chairman of Kaiser-Frazer Corp. and Joseph W. Frazer, president of Kaiser-Frazer and Graham-Paige Motors.

The Kaiser and the Frazer will be the first new name cars to be introduced by a new company to the American public in more than a decade.

Simultaneously, Graham-Paige will introduce its new line of farm equipment, including a newly engineered general purpose tractor with unique gear and engine features and two models of the Roto-tiller.

The two new cars will be American-size, six passenger automobiles with many post war engineering and design features, Mr. Frazer said.

"Our assembly lines at Willow Run," he stated, "will be geared to turn out 1500 cars a day by next summer.

"The cars have been designed and engineered by veteran automobile men and various units are now being tested and proved."

Both cars, he said, were designed by Howard A. Darrin, internationally-known stylist, who has designed and built custom made automobiles for the industry for 25 years.

Both cars will be sold through a nationwide network of approximately 210 distributors and 3800 dealers, a marketing organization now nearing completion.

Harold Andersons To Move to Alta Loma, Ledigs to Upland

Mr. and Mrs. Harold Anderson and family are moving soon to Alta Loma and Mr. and Mrs. August H. Ledig of Alta Loma are moving to the Anderson residence at 112 North Grove avenue, Upland.

The Andersons have purchased the 10-acre Ledig grove on Hellman avenue and the two families will move to their new properties this month. Mr. and Mrs. Ledig obtained the Anderson residence in the transaction.

Mr. Anderson is deputy agricultural inspector in the Cucamonga-Alta Loma district and Mrs. Anderson is a member of the Upland Elementary school faculty. Mr. and Mrs. Ledig have been long-time residents in Alta Loma.

D. A. R. Explains Policy

As the result of criticism being directed at the Daughters of the American Revolution on the grounds that it is discriminating between races, the San Antonio chapter of the D.A.R. is making public a statement prepared by Julius Young Talmadge, president general.

The statement reviews the history of the building of Constitution hall, the D.A.R. auditorium.

"The hall was dedicated in April 1929, and at a meeting of the national executive committee it was voted to set aside a certain number of seats for the use of negroes wishing to attend concerts," reads the statement, which was made available to The Upland News by Mrs. Everett Henry, press relations chairman of the local chapter.

"In so far as it is known, this was the first time that any auditorium or theater in Washington catering to white clientele, recognized that negroes should be permitted to hear world renowned artists."

In 1930 the D.A.R. made a contract with an agent for concerts. Later a colored choir presented a program and the D.A.R. removed its restriction of limiting admissions to only 200 negroes and permitted anyone to buy tickets.

"In spite of this waiving of contractural rights, a few days later an open letter appeared in the New York Tribune severely criticizing the D.A.R. for not cooperating with the negroes," reads an excerpt from the statement. "All of the facts contained in the letter were untrue and based on the terms of the original contract rather than on the actual happenings. This letter was signed by an official of the National Association for the Advancement of Colored People."

"As a result of this criticism and the unwillingness of the sponsors to restrict the sale of the tickets as per their contracts, the national executive committee of the D.A.R. in March, 1932, instructed the manager of Constitutional hall to insert the words, 'white artists only' in all contracts for the use of the hall," says the document.

Later, efforts were made by her managers to schedule Marian Anderson for a concert in the hall. Over the D.A.R.'s refusal to permit her appearance much criticism has been expressed, Mrs. Henry pointed out.

"The Daughters of the American Revolution believe that that unit of value in America is individual liberty," says a statement by the D.A.R. executive committee. "They would not deprive any citizens of the United States in his inalienable rights guaranteed by the constitution of the U. S.

"Constitution hall was built and entirely financed by the national society of the D.A.R. It is owned, controlled and managed by that society. It is not a city auditorium. It is not a district auditorium. It is a privately owned building, built primarily as a meeting place for the congresses and other gatherings of the D.A.R. Washington recognized its many advantages as an auditorium for cultural activities and performances by artists.

"Rules of management for Constiution hall were drawn up in accordance with the prevailing custom of the District of Columbia regarding schools, auditorium, theaters, hotels, restaurants, clubs, canteens, etc.

"The society recognizes the right of any citizen to request the use of Constitution hall, and it also reserves its individual right to grant or deny a request for its use."

The 1945 Canadian apple crop is estimated at 57 per cent less than last year's record production of nearly 18 million bushels.

It is estimated that for every two cases of canned citrus juices sold in the winter of 1940, five cases will be sold on American markets in the winter of 1950.

Compared to last winter, California navel orange production is expected to be 2800 cars less while Florida will show an increase of 13,000 cars, reports the California Fruit Growers Exchange.

MEAT! MEAT! MEAT!

We have what you want in most cuts—in any amount you want it—at a price that is popular.

WE ARE READY FOR THE POST-WAR MEAT BUSINESS

We Want to Serve You!

While this is a complete food market, featuring nationally known groceries and the finest available vegetables, our meat department is getting special attention now because of the meat situation. Since we pack and cure our own meats and condition it to the right turn, we are in a position to offer a large amount of meat in the greatest variety.

BUY HERE WEDNESDAY AND THURSDAY

Frankly, there is no great big "rush" of business during the middle of the day on WEDNESDAY or THURSDAY. We mention this because we believe many women like to buy their meats and to leisurely look around for groceries and vegetables. The best shopping conditions come during the middle of the week. Come here WEDNESDAY or THURSDAY and enjoy the thrill of seeing our meat cases and to select from our conveniently arranged shelves and displays of top quality food merchandise.

Clothing Drive Starts in January

Clothing collections for European relief will start in Upland on January 7, 1946, the local committee announced today.

It asked all Upland citizens to start looking for clothes now that they can contribute to the underclad peoples of Europe in order to have them ready for the drive when when it officially opens.

Former President Herbert Hoover declared today that "there are certainly one hundred and fifty million people in Europe alone who are dreadfully underclad as a result of the war." He appealed to the American people to start putting aside now all the serviceable used clothing they can spare for donation to the Victory Clothing collection for overseas relief.

Mr. Hoover, who was administrator of American relief activities during World War I, said:

"With the current shortage of fuel overseas, suffering will be doubled. Tens of thousands of children are unable to attend school for lack of shoes. American families cannot give too much."

He pledged utmost personal support to the January nation-wide clothing collection on behalf of UNRRA (United Nations Relief and Rehabilitation Administration) for the relief of the needy and destitute in war-devastated lands. Henry J. Kaiser is national chairman of this collection as he was of the United National Clothing Collection last spring which provided clothing, shoes and bedding for 25,000,000 war victims in Europe, the Philippines and China.

Mr. Hoover made his statement in accepting membership for a second-time on the national clothing drive committee. Seventy other leaders in American life, including national heads of religious, educational, philanthropic, and civic and service organizations, have also accepted on the national committee.

Navel Season Gets Started

The first carload of the season was packed and shipped by a Redlands house, the Gold Banner association, last Saturday as Southern California's navel orange harvest began.

Nearly every house in the Redlands area is reported to be picking fruit and preparing it for market. Providing that a temporary shortage of heating gas can be met, carloads will continue to increase daily.

The first oranges to be shipped are said to be of a fancy quality with good color. The average size, however, is smaller than usual, a characteristic of this winter's crop.

No navels are expected to be picked or shipped from the Upland district until the first of the year, with some possibility that they may be available near the end of this month at the earliest.

Farmers Asked to Plan Extension Service Program

Farmers themselves will determine the long-range program of the agricultural extension service of the University of California, A. G. Salter, San Bernardino county farm adviser, declared today.

He said three meetings have already been held with county farmers and others are scheduled for the future.

"Programs of the extension service should be based upon the needs of the farm people," B. H. Crocheron, extension service director, stated.

"From early days its objectives were based on the wishes of the local people as they were expressed in program planning meetings held in each community.

"These meetings gave the extension agents an insight into the needs and desires of the farm people and assured them that this agency was their own, intended to help them with their problems.

"Farm people came to understand that extension was their agency, occupied solely in their interest.

"Now that the war is over, the extension service will have fewer war programs to administer and it is our desire to return to a local program of work determined by the farm people themselves."

Campbell Charged With Drunk Driving

Fred Campbell, 352 North Palm, has been charged with drunken driving, Upland police reported today.

He was seen by Officer Owens as he was driving in an erratic manner west on Ninth street. Taken to the police station he failed to pass the sobriety test and was placed in the city jail.

Many men who experienced the army at its worst—the hazards of war, the muck of fox holes—are now studying with interest the advantages offered by the peacetime army. They are aware that the army offers security, travel and practical tread instruction. They are also keenly alive to the necessity of maintaining a force of "guardians of victory" as a barrier against future wars.

The first lightship in the United States was placed in operation on July 14, 1820.

When the Sunkist organization was founded in 1893, Americans consumed 12 oranges per year compared to the present per capita consumption of 125 oranges.

Upland Is Where They Make Lemon Pie, Mayor Tells Visiting Officials

Upland is the city "where they make the lemon pie", Mayor Eugene G. Nisbet, president, told nearly 100 public officials of the Citrus Belt division of the California League of cities, who met at the Upland Woman's club Friday night.

Speakers of the evening were Winston R. Updegraff, managing editor of "Western City" and Arthur W. Wright, Los Angeles superintendent of street cleaning, who discussed the problems of refusal disposal and street maintenance.

Mayors, city managers and councilmen from Banning, Chino, Colton, Indio, Redlands, Rialto, San Bernardino, Ontario and Upland attended the dinner meeting. Lt. Col. Harry Martin, who began his duties as city manager for Ontario was introduced to the Citrus Belt officials by Mayor Taylor Peterson, of Ontario.

DO RIGHT THING

Lieut. Francis "Squeek" Wilson, formerly employed by the city of Upland, provided the musical portion of the program with three selections—"Thine Alone," "I Know a Hill," and "I Hear You Calling Me." He was accompanied at the piano by his mother.

Mayor Nisbet opened the meeting by introducing the various Upland officials present and then reminded all the city officials that all of them had the responsibility of administering the business of their cities in a just an equitable manner.

VARIOUS WAYS

Declaring that we were perhaps living through more critical times now than we had through the war, Mayor Nisbet said:

"The smallest subdivision presents democracy in the purest form. That is why we should always do the right and just thing."

R. G. Manley, city manager and a member of the Citrus Belt division board of directors, presented both of the speakers.

Mr. Updergraff gave a survey of the means of garbage disposal used by various California cities. He said that it was the increasing tendency for cities to charge for garbage collection. He cited some statistics to illustrate his points.

MAKE IT FLUID

Reviewing the relative advantages and disadvantages of manuel and mechanical methods of street cleaning, Mr. Wright told of his experiences in Los Angeles. He stated that the average person didn't really realize how much work it took to keep city streets clean and recommended that all street cleaning departments should be fluid enough to meet changes and possible growth of the city.

The Citrus Belt division of California cities will hold its next meeting in Redlands on January 25.

All Vets Invited To Legion Meeting

All veterans of World War II who haven't yet joined the Legion as well as regular members are urged by Commander E. E. Carter to attend the American Legion meeting tonight at the post's club house.

A turkey dinner beginning at 6:30 will precede the business meeting which is scheduled for 8 p. m. The report of the building committee on the possibility of having the Legion club house in the proposed civic center will highlight the meeting.

American Army personnel stationed in England wrote 258,000,000 V-Mail letters to friends and relatives in the United States between June, 1942, and August, 1945, Ninth Service Command headquarters at Fort Douglas, Utah, learned today. During those 37 months they in turn received 259,000,000 V-Mail letters from this country.

NEWS of MEN AND WOMEN IN UNIFORM

THREE LIST SONS HOME

There is much happiness in the home of Mr. and Mrs. E. E. List, South Loma place, College Heights, for their three sons in service are back for good.

Pvt. Philip S. List has been discharged after four and one half years of service, overseas for three years. He returned to the United States from the Philippines in July.

Lt. John W. List received his discharge recently and is home after 27 months in the air corps. He was a pilot and was stationed at Madison, Wisconsin, where he also received his commercial pilot certificate.

First Lt. Andrew W. List surprised his parents Sunday after two years in the European area. He was with the automotive air corps ordnance, and was in service four and a half years.

The List family will enjoy a real Thanksgiving dinner next Sunday.

COMING HOME

S/Sgt. Uel O. Graham, USMC, husband of Mrs. Genevieve Graham, 168 North First avenue, will be back in Upland soon.

Graham is one of 1200 high-point Marine veterans who is being returned back to the States for discharge.

RETURNING HOME

Marion F. Brown, Jr., Slc. (QM), USNR, husband of Mrs. Mary K. Brown, of 1009 Washington boulevard, is on his way home.

Brown is one of over 1500 high-point Navy and Marine veterans who are returning back to the States aboard the U.S.S. Maryland. He is the son of Mr. and Mrs. Marion Brown of 1009 Washington boulevard.

WILL BE HOME

Mr. and Mrs. W. C. Halliburton, 557 North Campus avenue, received word yesterday that their son, William C., Jr., whom they haven't seen for 18 months will be arriving home this weekend.

William, who was a senior at Chaffey High school before going into the service, is a hospital apprentice, first, class. He has been in the Southwest Pacific, on the island of Tinian.

FOX ADVANCED

Tom N. Fox, son of James O. Fox, 280 C street, recently was promoted from corporal to sergeant, world headquarters of the AAF Weather service announced today. Fox has completed five months of service in the Southwest Pacific. Before going overseas, he was graduated from the weather observer school and the teletype maintenance school of the AAF technical training command at Chanute Field, Illinois.

JONES DISCHARGED

Mr. and Mrs. A. M. Hawkins, Sr., West Thirteenth street, have received word that their son-in-law, Robert D. Jones, has been discharged from the Navy.

Mr. and Mrs. Jones (Elizabeth Hawkins) reside in Rialto. The latter is employed in the county courthouse. Prior to going into service more than two years ago, Mr. Jones was a teacher in the San Bernardino high school system and has been on leave of absence for the past five semesters. Mr. and Mrs. Jones resided in Upland in 1932-33 while the former was doing graduate work at Claremont Colleges.

Charles Gage Home After Navy Service

Charles Gage, former manager of the Upland theater, is a civilian after 28 months of service with the navy. He has just returned from five months of service in the Pacific theater. He had the rating of electrician, second class.

While stationed at Santa Ana and at Camp Shoemaker, Mr. Gage served as director of motion pictures, using his experience gained while with the local theater and attending a navy school.

Harold Hall, who served as a sergeant in the eighth air corps, is home as a civilian after three years of duty in the armed services. He is the son of Herbert Hall, Alta Loma.

His latest active assignment was in Germany, where he was station in Munich. Hall plans to complete his course at Chaffey high school and then enroll at the University of Texas.

Tommy Bryant Home After Three Years In Air Service

Tommy Bryant is home after nearly three years of service in the Army Air corps, having served with the ground crew. He is the son of Mrs. Edythe Bryant, 467 North First avenue.

The Uplander served in the Pacific theater of the war and aided in the successful attack against the Japs. At a later date he plans to reenter school.

David H. Purington, 263 South Third avenue.

Samuel O. Gill, Upland.

Cucamonga:
Pete G. Gravaglia.
Jose C. Sierra.
John C. Martinez.

Guasti:
Richard O. Perez.

Alta Loma:
William B. Van Fleet, 1788 North Hellman.

$5,000 Christmas Checks Mailed in Cucamonga District

Of the $9,500,000 Christmas checks received by Bank of America depositors, $5000 of it went to people in the Cucamonga-Alta Loma-Etiwanda district, George Mahan, manager of the Bank of America in Cucamonga, reported today.

A total of 100,000 checks were mailed to Christmas club subscribers all over the state. Enrollments for the 1946 club are now being accepted, Mr. Mahan said.

While it may be true that conditions have improved inside Germany and Austria, the Jews of Europe are still in a parlous state, and too much cannot be done in their behalf.
—Rabbi Louis L. Newman, New York City.
